Costa del Sol, New Golden Mile

Contemporary development of 8 off-plan villas in a privileged location on the New Golden Mile, extending out to the fairways of El Campanario golf course.

These four-bedroom contemporary villas offer stunning exteriors and exceptional interior finishes. There are several different layout types to choose from, each creating a different living experience.

Key features of each home include open-plan living areas, fully fitted kitchens, large en-suite bedrooms and plenty of built-in storage. The larger villas give you the option of spare rooms that can be set up as home offices or as additional bedrooms if needed. They also have private pools and spacious gardens overlooking views of the golf course.

The New Golden Mile, situated between San Pedro in Marbella and Estepona, is approximately 45 minutes' drive from both the Gibraltar and Málaga airports, and within a short drive from Puerto Banús. It is located within walking distance to shops, restaurants, schools and the beach.

Estimated completion date: summer 2026.
