Modern Penthouse with Beautiful Views in Estepona

This lovely penthouse, finished in 2022, is the only apartment on its floor, so it offers a lot of privacy and peace. From here you can enjoy great views of Estepona town and the Mediterranean Sea.

It was originally a four-bedroom apartment, but the owners decided to remove one bedroom to make the living area bigger and more open. If needed, it can easily be turned back into a four-bedroom home just by putting the walls back up. The living room and kitchen are open plan, with big floor-to-ceiling windows that fill the space with light and give direct access to a large wraparound terrace. Part of the terrace is closed with glass curtains, so it can be enjoyed all year round perfect for relaxing or eating outside.

The building has underground parking with a car lift, a storage room, a rooftop pool with incredible views, and a private gym.

The location is fantastic just a short walk from the centre of Estepona, the beach, shops and restaurants, and only about an hour from Málaga Airport.
