An Andalusian Villa to Fall in Love With – Lomas de Mijas

Some homes capture your heart from the very first moment. This beautiful villa in the sought-after residential area of Lomas de Mijas combines authentic Andalusian charm, modern comforts and extraordinary panoramic views of the Mediterranean Sea, the coastline, the surrounding mountains and picturesque Mijas.

Just three minutes by car from the heart of Mijas Pueblo, you can enjoy privacy and tranquillity while remaining close to its whitewashed streets, welcoming restaurants and cafés.

Wooden beams, natural stone and exposed brick details give the interiors warmth and character. Behind this timeless style lies modern convenience: a smart home system allows you to control the home's features through an app, while a security camera system provides added peace of mind, wherever you are.

The main house offers three spacious bedrooms, each with its own dressing room and en-suite bathroom. All three enjoy spectacular sea views — a beautiful setting to wake up to every morning.

A particular highlight is the independent guest apartment with direct access to the pool. With its own kitchen, living room and bedroom, it is ideal for visiting family, friends or an au pair, offering everyone the comfort and privacy of their own space.

Outside, the villa invites you to embrace the Andalusian lifestyle. The large heated swimming pool can be enjoyed beyond the summer months, while the charming garden and outdoor kitchen with a barbecue area create the perfect setting for leisurely lunches and memorable evenings with friends. Throughout, breathtaking views of the sea and Mijas make every moment feel special.

The property also includes a double garage and a private driveway with parking for three additional vehicles. Presented in excellent condition and sold fully furnished, it is ready for its new owners to move in and enjoy.

A remarkable home offering space, privacy and the unmistakable charm of Andalusia — just minutes from the heart of Mijas Pueblo.
