Costa del Sol, La Cala

Located in La Cala de Mijas, in a privileged enclave just 2 kilometers from the beach, this development is a gated residential community of 68 new-build townhouses that combines quality of life, nature, and an unbeatable location. Here, the sea is not a destination: it is part of your daily life.

The development offers 3 and 4-bedroom townhouses distributed across 8 rows, all south-facing, with large terraces or gardens and spectacular sea views in most units. The layouts are open and balanced, featuring kitchens and bathrooms equipped with top-tier qualities. Some homes include a private mini-pool. Parking and storage are integrated into the basement level with direct access.

The communal areas are designed for enjoyment and well-being: a communal swimming pool, landscaped gardens, gym, sauna, spa, and chill-out area.

And when you want to head out, everything is close at hand. Less than a 7-minute walk away, you will find golf courses, shopping centers, supermarkets, restaurants, shops, and a health center. By car, you are less than 20 minutes from Aeropuerto Internacional de Málaga and Puerto Banús, and just 15 minutes from the historic center of Marbella. With direct access to the A-7 and close proximity to the AP-7, moving around the Costa del Sol is simple from any point.
