The Residence – Thoughtful Luxury on Three Levels

The villa is elegantly distributed over three floors, connected by a private elevator providing both comfort and a future-proof solution. Every detail reflects a blend of aesthetics and functionality.

With five beautifully appointed bedrooms, there is ample space for family and guests. Large floor-to-ceiling windows ensure an abundance of natural light and create a seamless connection between indoor and outdoor living.

Unmatched Views and Outdoor Spaces

From the villa's spacious terraces, the landscape unfolds with impressive panoramic views – from the surrounding mountains to the azure Mediterranean Sea. Here, you will experience a sense of peace and freedom that is hard to find elsewhere.

The private garden is a true oasis with its own pool and several terrace areas, perfect for relaxation, sunny days, and long dinners under the stars.
