Costa del Sol, Cabopino

Set in a unique, quiet location on the Costa del Sol, not engulfed by the busy coast, this spectacular development will take your breath away. Style, design, quality and YOU are the cornerstones on which we have based the experience.

The lovely single family homes of this project bear the mark of exceptional style – just like those who call this remarkable community “home.” Located in an incredibly breathtaking setting offering you exceptional views over the golf down to the Mediterranean Sea, North Africa, and the port of Cabopino.

This project is a modern designer project of 5 luxury villas that perfectly reflects our passion for modern construction. Incorporating contemporary styled architecture, thoughtful interior details and innovative, spacious floor plans that feature 4 or 5 bedrooms, en suite alternatives, walk in dressing rooms, spacious lounges, fully equipped kitchens and infinity pool.

These villas are designed, developed and built by a Belgian construction company with more than 15 years’ experience on the Costa del Sol and will be one of their many flagship projects.
