## Costa del Sol, Estepona

### VILLA CELIA

Situated in the tranquil and well-established residential enclave of El Paraíso, this elegant contemporary villa enjoys a privileged location on Marbella's New Golden Mile, just a short drive from Puerto Banús, San Pedro de Alcántara, and Estepona.

Designed with a focus on light, space, and comfort, the property is distributed across three levels and offers a refined layout ideal for modern living. The main floor features a spacious open-plan living and dining area, seamlessly connected to a fully fitted high-end German kitchen. Large sliding doors open onto expansive, partially covered terraces with outdoor seating and dining areas, perfect for enjoying the Costa del Sol's year-round climate.

The villa comprises five generously sized bedrooms, all with en-suite bathrooms, in addition to a guest toilet. Interiors are finished with natural wood flooring, underfloor heating, and electric blinds, providing a perfect balance between style and functionality.

Outdoors, the property offers a private and mature garden, a swimming pool, and a sense of seclusion that enhances its appeal as a permanent home or exclusive holiday retreat.

The lower level has been transformed into a chic bar and entertainment lounge reminiscent of a classic jazz club, a unique space for memorable evenings.

Additional features include covered parking for two cars, and the villa is sold fully furnished and ready to move into.
