EXCLUSIVE INVESTMENT – 50% UNDIVIDED SHARE OF A 26,000 m² PLOT WITH SEA VIEWS IN BENALMÁDENA

Sale of a 50% undivided share of a set of four plots with an existing house and open sea views.

This real estate asset with strong appreciation potential is located in the municipality of Benalmádena, in the La Viñuela area, one of the natural zones with the highest urban development potential on the Costa del Sol.

MAIN PROPERTY DATA

- Total land area: approximately 26,262 m² according to Land Registry
- Measured area: approximately 25,602 m²
- Number of plots: 4 registered plots
- Urban classification: Non-Sectorized Developable Land (SUNS)
- Existing two-storey house with 128 m² of usable space, plus terrace, basement, storage room and parking for 4 cars with first occupancy license (LPO).
- Elevated location with open views to the sea and surrounding landscape

PRICE

€550,000 for 50% ownership.

This price is significantly below the potential value of the asset, offering an attractive entry opportunity into developable land in one of the most dynamic real estate markets on the Costa del Sol.

DEVELOPMENT POTENTIAL

The land is classified as non-sectorized developable land, which represents a strategic reserve for the future urban growth of the municipality.

Possible investment strategies include:

- Urban development through a Sectorization Plan
- Development of a residential project with detached villas
- Integration into future municipal urban developments
- Medium- to long-term land banking strategy

INVESTOR PROFILE

This asset is particularly suitable for property developers, real estate investment funds, family offices and value-add investors.
