Hacienda Las Chapas is one of Marbella East's most sought-after residential areas, renowned for its privacy, spacious villas, and beautiful natural surroundings, while being just a short drive from some of the area's finest beaches, local amenities, Marbella town centre, and Málaga Airport.

Accessed through electric gates, the property welcomes you with a large sweeping driveway offering parking for three to four cars in addition to a triple garage, all surrounded by mature gardens, shrubs, and beautifully landscaped grounds.

Entering through impressive double doors, the first thing that captures your attention is the stunning sea view. Patio doors open directly onto a generous south-facing terrace overlooking the pool and gardens, making the most of the property's exceptional outlook. Adjoining the lounge is a separate dining room, also with patio doors leading onto the terrace, ideal for seamless indoor-outdoor living. The spacious fully fitted kitchen offers ample room for family use and is complemented by a separate utility area, guest cloakroom, and additional storage.

Also on the main level are three bedrooms, including a spacious bedroom with patio doors opening onto the terrace and an ensuite bathroom, a further bedroom with ensuite, and a superb master suite featuring a luxurious fully marble ensuite bathroom complete with a large statement bath. All bedrooms benefit from fitted wardrobes, creating comfortable and practical accommodation on this floor.

Stairs leading down from the dining room to the extensive lower level, where the basement offers exceptional versatility. Here you will find a self-contained apartment with its own private entrance, comprising a lounge, kitchen with dining area, bedroom, and ensuite bathroom, with direct access to the pool and gardens, making it ideal for guests, extended family, or staff accommodation. Outside, the villa continues to impress. The expansive south-facing terrace offers breathtaking panoramic sea views and leads down to the impressive 10 x 5 metre swimming pool. On either side of the pool are manicured lawns, a barbecue area, and several lounge spaces designed for entertaining and enjoying the Mediterranean lifestyle. Further steps lead down to a beautiful and tranquil two-level garden filled with palms, vines, and a wide variety of mature plants and shrubs, creating a private oasis of peace and relaxation.
