Costa del Sol, Fuengirola

Beachlife. Promenade. Mediterranean. Views. Heart of the city. Fuengirola.
Unique two-bedroom apartment on the top floor of one of the buildings facing the beach of Fuengirola. Completely renovated, with terrace and incredible views.
Building with concierge, located on the promenade of the city of Fuengirola, a stone's throw from the beach, beach bars, cafes, shops, restaurants and places of interest.
The apartment has been completely renovated, with an open plan connecting the modern kitchen with island with the living room with fireplace and the terrace flying over the Mediterranean. It has two bedrooms, a spacious bathroom with shower, double sink and toilet, second bedroom and a separate guest toilet. Terrace with views that will take your breath away. Designer furniture. Absolute comfort. There is a public car park that offers spaces for rent next to the building. Although it is very likely that you will not need a car. Absolutely everything you could possibly need is within walking distance, just a few steps away. Including the train station that will take you to the international airport or the central station of Malaga city. Restaurants, cafes, shops. Marina and beach. One of the longest promenades on the coast. Old town with its narrow streets and squares full of authentic Mediterranean life are just a few steps away waiting for you.
