Welcome to this beautiful south-facing townhouse offering some of the most spectacular panoramic views you can possibly imagine. Situated in the elevated and highly sought-after community of El Alto—the very first development built within the exclusive Los Arqueros Golf Resort—this property enjoys a commanding position that captures sweeping vistas of the Mediterranean Sea, lush golf greens, and the surrounding majestic mountains.

If you dream of waking up to a relaxing, picturesque backdrop, this home delivers. Impeccably maintained in its good, original condition, the property exudes classic Andalusian charm with elegant marble flooring throughout and offers a fantastic canvas to enjoy as-is or personalize to your taste.

Upon entering the main level, you are greeted by a welcoming foyer and a convenient guest toilet. The fully fitted kitchen features a practical adjoining utility/laundry room and a charming passthrough window that connects to the living space while framing stunning sea views right from the sink. The spacious, open-plan living and dining room is anchored by a cozy traditional fireplace, providing a perfect space to unwind. This area flows seamlessly out to the expansive main terrace, featuring a beautiful Spanish-tiled built-in bench—the ultimate setting for al fresco dining and soaking in the Mediterranean sun.

The upper level is dedicated to rest and relaxation. The master suite is a private retreat boasting a lavish en-suite bathroom complete with a Jacuzzi bathtub, and direct access to an upper private terrace with breathtaking, elevated sea views. The generously sized guest bedroom features its own small, charming balcony and is serviced by a well-appointed separate family shower room.

A standout feature of this townhouse is the direct internal access. From the entrance level, stairs lead down to a spacious, private basement garage, offering ample secure parking for both a car and a golf buggy, plus additional storage space.
