Originally designed and built for the developer, this unique residence offers a level of quality, space and bespoke features rarely found in the building, making it truly one of a kind.

The main living level is designed for both comfort and entertaining, featuring a spacious open-plan lounge and dining area with a charming log-burning fireplace and large patio doors that flood the space with natural light and open onto an expansive wraparound terrace. The fully equipped kitchen connects seamlessly to a covered outdoor dining and seating area, creating the perfect setting for al fresco living year-round. A separate utility room adds practicality, while a generous dining room—easily converted back into a fifth bedroom—sits alongside a large bathroom, providing ideal accommodation for guests, staff or multi-generational living.

Upstairs, four beautifully appointed bedrooms offer privacy and comfort. The impressive master suite features its own fireplace, dressing area and luxurious en-suite bathroom complete with a jacuzzi bath. Two additional bedrooms also benefit from en-suite bathrooms, while a fourth guest bedroom provides flexible accommodation for family and visitors.

Outdoor living is taken to another level with two expansive solarium terraces, offering endless possibilities for sunbathing, entertaining, installing a hot tub or simply relaxing while enjoying spectacular sunsets and uninterrupted views of the Mediterranean coastline and surrounding mountains. Completing this exceptional property is a private underground garage with space for two vehicles, electric car charger and ample additional storage.

Combining an unbeatable location, generous living spaces, stunning views and exclusive features, this is a truly exceptional Marbella home that must be seen to be fully appreciated.
