The property enjoys an exceptional sense of privacy and independence, combining the charm of a home full of character with the comfort of a comprehensive renovation adapted to modern living.

The house features three spacious bedrooms and two full bathrooms. The principal bedroom benefits from an en-suite bathroom and large windows that flood the space with natural light.

In addition, there is an extra room located between two of the bedrooms, created by enclosing a former terrace. This highly versatile space can be used as an additional bedroom, a large walk-in wardrobe, a private office or a children's playroom, with direct access from both bedrooms.

One of the property's most unique features is its fully finished secret attic room with natural light. A truly special space full of character and personality, ideal as a private office, study, creative space or simply a private retreat rarely found in homes of this type.

The spacious open-plan living and dining area with integrated kitchen forms the heart of the home. A bright and welcoming space that connects directly to the private garden, creating a seamless transition between indoor and outdoor living.

The outdoor area provides plenty of space to enjoy the Costa del Sol lifestyle throughout the year and offers an ideal setting for the installation of a private swimming pool, a feature already incorporated into similar neighbouring properties.

The property is presented in excellent condition thanks to its recent renovation. The included renders showcase enhancement concepts for certain exterior areas, helping buyers visualise how the property could be taken to an even higher level of exclusivity, functionality and appeal.

An excellent opportunity for buyers seeking a distinctive home ready to enjoy from day one, as well as for those looking to further enhance its value and long-term potential.

Located in Monte Biarritz, between Marbella and Estepona, the property enjoys easy access to golf courses, beaches, international schools, restaurants and all essential services.
