Costa Almeria, La Alquería

Sophisticated Villa With Panoramic Vistas and Lush Greenery

Set in the prestigious enclave of La Alquería in Benahavís, Villa Fuego rises as a striking contemporary residence in the heart of Marbella West. This elegant Costa del Sol villa offers refined architecture, enjoying south orientation and captivating open, green and sea views. Its spacious interiors, underfloor heating, marble flooring, security system, and generous three-car underground garage create a sophisticated environment where privacy, comfort and modern design come together.

The main living areas unfold with contemporary elegance, where clean lines, quality finishes and wide openings enhance the connection to the terraces and a beautifully maintained garden. A stylish built-in kitchen integrates naturally with the lounge and dining area, while the outdoor spaces feature a private pool and panoramic views that capture the essence of Mediterranean living. The master suite offers a serene retreat with a walk-in wardrobe, complemented by four additional bedrooms designed with refined materials and generous proportions.

A full lower floor and lift access to all levels complete this exceptional residence. Villa Fuego blends contemporary architecture with an enviable lifestyle in one of the most desirable residential areas of the Costa del Sol, located in Benahavís, just minutes driving from Marbella.

Discover the elegance of Villa Fuego and let its unique character inspire your next move.

La Alquería is a development in the Benahávis area, consisting only of detached luxury homes, each with its own plots of land. The location, closeness and easy access to all services, surrounded by major high-quality golf courses and other sport facilities, makes La Alquería an option truly worth considering.
La Alquería is next to the Atalaya Golf & Country Club and has views of many other open spaces, thanks to the golf courses in the area and, of course, the Mediterranean, as well as the rock of Gibraltar and the Sierra Blanca mountains.
