The property offers two bedrooms and two bathrooms, including a principal bedroom with en-suite bathroom. The kitchen is integrated into the living area, creating a layout that feels comfortable and functional for everyday living.

Tourist rental has been approved by the community of owners, making it suitable both as a holiday home and as an income-generating investment.

Residents enjoy access to a swimming pool, gym and well-maintained communal areas within a modern gated community.

La Gaspara has become an increasingly popular residential area thanks to its proximity to the beach and its easy connection to the centre of Estepona, while offering a quieter setting than many developments closer to the town itself.

Properties that combine sea views, outdoor space and a well-connected location continue to attract buyers looking for a home that can be enjoyed throughout the year.
