Costa del Sol, The Golden Mile

Unique 5-Bedroom Townhouse with Andalusian Tower – Altos de Salamanca, Marbella Golden Mile

Within walking distance of the Golden Mile beaches, Puente Romano and Forum, this exceptional 5-bedroom townhouse is set in Altos de Salamanca, an intimate gated community of just 31 homes with controlled access, mature landscaped gardens and a beautiful community pool with lounge areas.

The entrance, beside the gated private carport, opens into a bright, open-plan living and dining space that flows onto a large south-facing terrace. The semi-open kitchen keeps cooking comfortably separate from the living area while preserving the airy feel. A full bathroom (currently doubling as a laundry room) and a storage room complete the ground floor.

The first floor hosts four generous bedrooms and two full bathrooms. One bedroom enjoys its own large south-facing terrace, while another features dual-aspect windows (north and south) that fill the room with natural light all day.

The top floor is a self-contained apartment with kitchen, bathroom and living room, crowned by a loft within the community's only Andalusian tower. From here, a terrace offers panoramic views over the Golden Mile and out to the sea, while a second, north-facing terrace frames spectacular views of La Concha — the perfect spot for morning coffee or shade on warm afternoons.

With 5 bedrooms, 4 bathrooms, multiple terraces across all three levels and an unbeatable location, this is a rare opportunity to secure a long-term family home in one of Marbella's most sought-after addresses.
