Costa del Sol, La Quinta

Set in a privileged frontline-golf position in La Quinta, this six-bedroom villa offers privacy, generous living spaces and open views stretching across the golf course towards the Mediterranean Sea. Its elevated southeast-facing setting allows these panoramas to be enjoyed from the main living areas, terraces and several of the bedrooms, creating a constant connection with the surrounding landscape.

With 771 m² of built space on a 1,009 m² plot, the property is defined by contemporary architecture, clean lines and balanced proportions. Interiors by Aalto Exclusive Design bring together natural tones, carefully selected materials and bespoke details throughout. The main living area is bright and expansive, opening fully onto the terrace through large sliding doors that create a seamless flow between inside and out. The open-plan kitchen, fitted with premium appliances, connects directly with the dining area, living room and outdoor spaces, making it equally suited to everyday life and entertaining.

Outside, an infinity pool looks out over the golf course and sea, complemented by a sunken chill-out area, outdoor dining space, relaxation areas and a fully equipped barbecue station. Upper-level terraces extend the outdoor living experience further, offering more private corners from the bedrooms to enjoy the views.

The lower level is dedicated to wellness and entertainment, featuring a custom-designed leisure room with a bar, a spa with an indoor pool and sauna, and a private gym. The property is completed by a private garage for two vehicles, including an electric-vehicle charging point.
