This is not just a home; it is a versatile investment opportunity with the rare potential to be operated as a Boutique Aparthotel or a high-end multi-unit rental residence.

Unique Concept: Luxury Living with Significant Income

The villa's most compelling feature is its intelligent layout, designed for maximum flexibility and revenue generation:

4 Independent Apartments: The property is currently configured into four fully autonomous units. In total you have 6 bedrooms and 6 bathrooms. Each apartment is equipped with its own private kitchen, en-suite bathroom, central heating, and air conditioning.

The "Live & Rent" Model: The upper floor is perfectly suited as a magnificent master penthouse for the owner, while the three lower apartments can be rented out independently, offering enormous rental potential.

Boutique Aparthotel Potential: With a total of 4 kitchens and independent access points, this property is a turnkey solution for a small-scale luxury hotel business.

Seamless Conversion: While currently multi-functional, the architectural design allows for an easy conversion back into a massive, single-family grand villa if desired.

Year-Round Luxury & Wellness

Designed to attract guests and provide comfort even in the winter months, ensuring a 365-day rental season:

Heated Oasis: Features a large swimming pool, fully heated for winter use, alongside a private sauna.

Panoramic Vistas: Almost every apartment enjoys breathtaking panoramic sea views over the Mediterranean.

Sustainability & Tech: Equipped with solar panels for energy efficiency, central heating, and full climate control (Aircon throughout).

Future-Proof: Space is available and pre-configured for an elevator installation, connecting all levels for total accessibility.

Prime Location in Hacienda Las Chapas

Situated in a quiet cul-de-sac, the villa combines total privacy with unbeatable connectivity:

Beach & Dining: Only 5 minutes by car to Marbella's best dunes and top-tier chiringuitos.

Marbella Center: A short 7-minute drive.

Puerto Banús: 12 minutes away.

Málaga Airport: Approximately 30 minutes.
