Costa del Sol, Malaga Oeste

In the heart of Malaga, you will find this spectacular penthouse, a large house with an unusual distribution, ideal for those seeking space, comfort and living in the center of the city.

The property was refurbished to create a much wider and open space, uniting the rooms, allowing you to enjoy large rooms and multiple distribution possibilities. In addition, it has an additional room located on a second level, providing an independent space that can be used as a bedroom, office, guest area or private room.

The house also has two bathrooms, offering comfort both for day to day and to receive family or guests.

Its location is one of its great attractions: in the heart of Málaga, surrounded by all kinds of services, shops, restaurants, culture and leisure, and just minutes from the main points of interest of the city.

An attic with character and a lot of potential and an opportunity to live in the center with space, privacy and all the possibilities offered by this house.
