

Townhouse for sale in Fuengirola, Fuengirola

650,000 €

Reference: HH10354 Bedrooms: 3 Bathrooms: 3 Build Size: 186m² Terrace: 70m²

Costa del Sol, Fuengirola

This beautiful renovated house is located in the heart of Fuengirola, a coastal town in the province of Malaga, Spain. Situated in a prime location, it offers convenience, style, and accessibility.

Upon entering the house, you will be greeted by bright and modern spaces. The interior design has been meticulously renovated with a blend of contemporary elements and charming details. Neutral colors and carefully selected lighting create a warm and inviting atmosphere.

The house is spread over three floors and features an elevator, making access to each level effortless. On the ground floor, you will find an elegant entrance foyer that leads to a spacious open-concept living and dining area. This area is perfect for entertaining guests and enjoying special moments in a roomy and comfortable setting.

The kitchen, also located on the ground floor, has been completely renovated and equipped with modern, high-quality appliances. Stylish finishes and contemporary materials create a functional and appealing space for cooking enthusiasts.

Moving up to the first floor, you'll discover a bright hallway that leads to the bedrooms. The house boasts three generous bedrooms, each with its own charm and unique design. The bedrooms offer ample space for rest and storage, and some may even feature private balconies or terraces.

The crown jewel of this property is the third floor, where you'll find an impressive rooftop terrace. This outdoor space is perfect for relaxation, sunbathing, and admiring panoramic views of the city and possibly even the sea. You can create a private oasis with outdoor furniture, lush plants, and an area for al fresco dining.

In summary, this renovated house in the center of Fuengirola offers the perfect combination of modern style, comfort, and a prime location. With its three floors, elevator, and contemporary charm, it represents a unique opportunity to enjoy urban living in one of Spain's most popular coastal towns.

The house consists of independent electricity meters allowing the possibility of
Readapt it to 3 apartments (two apartments with 1 bedroom, and one apartment with
