Comprising, light, bright living space, with vast floor-to-ceiling windows, the open-plan living and dining area is beautifully designed, with inset lighting, a fireplace feature and dining area close to the chic fully-fitted kitchen finished in white with black marble work surfaces, and the highest quality appliances.

The design of the villa creates striking covered terraces for outdoor lounge and dining areas, enjoying stunning views over the pristine swimming pool adjacent to the villa.

With five stylish bedrooms and 6 on-trend bathrooms distributed across the villa, the bedrooms feature beautiful fitted wardrobes, while the Master bedroom has a dressing room en-suite, as well as a luxurious contemporary stand-alone bathtub positioned to enjoy the views from a corner window. Fully-fitted with air-conditioning, central heating and home automation, the villa has subtle illumination throughout, including on the staircase to the first floor and basement.
